# NORTHAMPTON TOWN WOMEN MANAGEMENT DUO REACT TO LEAGUE WIN AT HOME TO LEEK TOWN

Northampton Town Women joint-managers Josh Oldfield and Liam Williams were delighted with their side's attacking play as they won 7-3 at home to Leek Town in the FA Women's National League Division One Midlands last week.

Jade Bell scored four, Alex Dicks netted a brace and Kim Farrow bagged the Cobblers' other goal as they returned to league action with a victory.

"We were pleased with a large amount of what we did, but we conceded three sloppy goals which we're not so happy about," Oldfield said.

"We come away from it thinking that we need to tighten up and not give so many goals away.

"However, it was a good performance overall and the girls were positive in possession.

"We created so many chances and seven goals doesn't even do it justice! The movement, combinations and finishes were outstanding. It's another three points, but we're aware that we've got bits to work on."

The Cobblers host FAWNL Southern Premier Division side Ipswich Town in the Women's FA Cup first round proper this afternoon.

"We played another Tier 3 side, Derby County, in the FAWNL Plate recently, so we know that Ipswich are going to be a really good test for us," Williams added.

"They've been doing well at that level for a few years, so we're going to have to be at our very best.

"Ipswich will be the favourites going into it, but it's a cup game and anything can happen.

"We've got nothing to lose, and we certainly want to give a good account of ourselves.

"We're going to plan and prepare as well as we can to try to get a result."
