NORTHAMPTON TOWN WOMEN MANAGEMENT DUO PLEASED WITH MIDWEEK VICTORY

Northampton Town Women joint-managers Josh Oldfield and Liam Williams were pleased with their side's 1-0 win at home to Boldmere St. Michaels in the FA Women's National League Division One Midlands on the Thursday before last.

Vicky Barrett scored the Cobblers' goal as they secured a third consecutive victory in all competitions in the first ever meeting between the two sides. Their opponents were relegated from the FAWNL Northern Premier Division last season.

"It's an important three points because it was a really tough game," Williams said.

"They moved the ball around really well, but other than the last five minutes when Katie McLean had to make a number of unbelievable saves, they didn't trouble us too much.

"We're really pleased with how we defended throughout the game, and we carried a threat through our forward players, as always.

"It was nice to score a goal from a set-piece, and we were good value for the win."

Oldfield added: "There have been times this season when we've challenged the girls to show more character.

"They've shown lots of character and togetherness recently, and it was evident again tonight.

"It was a difficult game and we had to dig deep and put our bodies on the line, so we're happy to have come away with a win.

"We were outstanding in the way that we battled, and the girls deserve credit for a hard-fought 1-0 win at home."

The Cobblers did not have a fixture last Sunday, giving them nine days to prepare for today's Women's FA Cup third qualifying round tie.
