JOINT MANAGERS IMPRESSED WITH WIN FOR COBBLERS WOMEN

Reaction to the County Cup action a fortnight ago

Northampton Town Women joint-managers Josh Oldfield and Liam Williams were impressed with their side's 13-0 Northamptonshire FA Women's Cup second round win at home to Bugbrooke St. Michaels two weeks ago.

The Cobblers secured a dominant victory as they began their defence of the competition against the Northamptonshire Women's and Girls Macron Football League Premier Division leaders.

Oldfield was pleased that his side reached the standards he and Williams set week-in, week-out.

"It was a hugely positive performance and the first half was especially good," he said.

"We were happy with the goals we scored and the standards we showed on the pitch.

"I'm impressed with the girls because they were ruthless and performed at a really high level."

Williams hoped that the momentum gained from scoring 13 goals was taken into subsequent fixtures.

"Goals always breathe confidence into the squad," he added.

"We feel that the girls have had this quality in them all season, and it's been rewarded today.

"Hopefully it gives them confidence going into the next run of games."

New signing Jade Bell made her Cobblers debut in the County Cup tie, marking her first appearance with five goals.

Oldfield believes the forward showed what she is able to bring to the squad.

"Jade has trained really well in recent weeks, and it's unfortunate that she hasn't been able to play sooner because she wasn't registered in time for the cup fixtures we've been involved in," he said.

"Today was a good opportunity for her to get involved and we couldn't be happier with what she produced.

"You could see her intelligence and intensity, and she's adding to an area of the pitch where we already have a lot of quality."
