## CLUB INFORMATION - LEEK TOWN LADIES

Leek Town Ladies currently sit 11th in the FA Women's National League East Midlands Division One

Following their resounding victory against Stoke City's reserves, Leek Town Ladies were recently defeated away at Doncaster despite being competitive for large periods.

Northampton Town Women last faced today's opposition at the beginning of the season. Unfortunately on that day we lost 2-0 so will be looking for revenge this afternoon.

Support like this from local businesses will only strengthen the engagement in our Women's Football Programme which is certainly growing on a local and national level. We thank Commsave for the opportunity to inspire more women & girls across our network."
