CLUB INFORMATION - LINCOLN CITY WOMEN

Lincoln City Women FC is an English women's football club affiliated with Lincoln City FC. The club play in the FA Women's National League D1 Midlands.

The summer of 2019 was a landmark in the development of the Club as a successful name change to Lincoln City Women FC meant a total rebranding for the 2019/20 season and a change of Club colours to the famous red and white stripes.

This season the side have had mixed fortunes winning six, drawing one & losing five of their twelve league games to date, placing them 2nd in the league.

We look forward to welcoming them this weekend after beating them at Sixfields Stadium last time out.

GETTING TO KNOW... ALEX DICKS

Northampton Town Women striker Alex Dicks responds to questions about her football life.

Question: What football team do you support and why?

Alex: I support Liverpool. My dad has always supported them, so I didn't get much of a choice!

Question: Who is your footballing idol and why?

Alex: I've never really thought about it to be honest. My dad compares me a lot to Harry Kane, but I wouldn't call him an idol. I always watched my brother playing football so I'll probably say him.

Question: How would you describe the way you play?

Alex: I take things as they come. I don't really plan ahead, so when the ball comes to me I just think on the spot. It's probably the wrong thing to do, but it works for me!

Question: How did you get into football?

Alex: I did swimming and taekwondo whilst watching my brother play until I was about 10. That's when I gave football a go and signed for Crick Athletic Ladies. We played AFC Rushden and Diamonds in my first or second game, and I ended up being scouted for county.

Question: What is your best moment in football and why?

Alex: I'd say winning the East Midlands Women's Regional Football League Premier Division with Northampton Town last season, or when I got called up to the England national team. I trained for a couple of days and stayed overnight, and it was a really good experience.

Question: Do you have any pre-match superstitions?

Alex: I can't take my jumper off in a warm-up, even in hot weather. I don't know why, but different things work for different people.

Question: What do you do outside of football?

Alex: I've been watching the Liverpool games and the darts over the Christmas break. I like Formula One as well. I spend a lot of time relaxing with my family and friends.
