ZOE BOOTE TO CAPTAIN NORTHAMPTON TOWN WOMEN THIS SEASON

An update on the leadership group ahead of the new season

Zoe Boote has been confirmed as Northampton Town Women club captain ahead of the 2022-23 season. The Cobblers begin life in the FA Women's National League Division One Midlands (Tier 4) at home to Wem Town this afternoon.

Skipper Boote is ready for the new campaign. "I'm really excited to have been given the armband and we've got a big season ahead," she said. "We've brought in some really good signings and got a good group as well as a good squad. I'm really looking forward to seeing what we can do in this league."

Boote is part of a leadership group alongside experienced teammates Bianca Luttmann and Rachael Mumford. Defender Luttmann believes the leadership group is an important aspect of the Northampton team. "The leadership group play in different positions in different areas of the pitch," she added. "We each bring different things which means we cover all bases across the pitch." "Supporting the team by bouncing off each other allows us to solve problems more easily and effectively."

One of the group's key roles is to make sure that the principles set by manager

Josh Oldfield are carried out by the squad.

Midfielder Mumford said: "Being part of the leadership group brings a lot of responsibility. "It's mainly about being a positive role model and demonstrating what our qualities should be on and off the pitch. "We also set the standards in training, and we have to show that it's not just about quality but hard work as well."

CLUB INFORMATION

Northampton Town Women have been further strengthened with the announcement that Velvet Mortgage & Insure Services have signed up to be the back of shirt sponsor for the next two seasons.

This partnership will see the Northampton Town Women's first team and development team sport the Velvet Mortgage & Insure logo on the back of their shirts for the 2022/23 and 2023/24 seasons. This partnership follows on from their support last season sponsoring the game at Sixfields International Women's Day.

The partnership comes at an exciting time for the Northampton Town Women and for Velvet Mortgage & Insure Services as the female football programme continues to expand and grow. Northampton Town Women are now able to offer football to all girls from the ages of 5 upwards, whatever their ability as well as having the choice between competitive football or just for fun.

Joanna and her team from Velvet Mortgage & Insure are thrilled to be supporting the women's team and will be cheering them on from the sidelines during the season.
