NORTHAMPTON TOWN

The 2022-23 season was Northampton Town Women's first campaign in the FA Women's National League.

The Cobblers had been promoted into Tier 4 as East Midlands Women's Regional Football League Premier champions, remaining undefeated and winning all but two of their 18 league fixtures the previous campaign. They had scored 78 and only conceded eight goals.

There was also success in cup competitions as the Cobblers went on their record Vitality Women's FA Cup run, knocking-out Rise Park, Tamworth, Bedworth United and Lye Town before succumbing to higher-level Lincoln City in the third round proper. They also reached the EMWRFL Cup semi-finals and won the Northamptonshire FA Women's Cup, defeating Peterborough United 2-1 in the final.

Josh Oldfield and Liam Williams' side finished in a respectable fifth place in their inaugural campaign in the FAWNL Division One Midlands, earning 36 points in 22 games and ending on a goal difference of 19. Jade Bell and Dicks were Northampton's joint-top scorers in the league, each finding the back of the net on 14 occasions.

The Cobblers made a slow start to the season as they took time to find their feet at a new level. The campaign was kick-started by a 7-0 win at home to Long Eaton United, and they were able to climb the table thanks to results such as the important 2-1 victories at home to Peterborough and away to Solihull Moors and Sporting Khalsa.

They ended the season on a high after an impressive 2-0 success away to the historic Doncaster Rovers Belles at the Eco-Power Stadium & looked forward to their second season at this level.

WOMEN 2023/24

The Cobblers won all but one of their pre-season friendlies heading into this season. Most of these non-competitive fixtures were played against fellow Tier 4 opposition, meaning that confidence was high ahead of the opening day.

The FAWNL Division One Midlands campaign kicked-off with a Nene Derby clash, the first fixture at the Cobblers' new home venue, Fernie Fields Sports Ground. The hosts were dominant in the first half and remained resilient in the second as they secured a 2-1 win.

The Cobblers were drawn at home to Tier 3 side Stoke City in the FAWNL Cup determining round, and they were placed into the Plate competition after a 3-0 defeat despite a positive performance against full-time opposition.

After a sub-standard start to the season the team picked up some form with 5 league wins on the bounce prior to the Christmas Break. A couple of losses followed in January before another good spell taking the Cobblers to 5th place in the table going into the last game of the season this weekend.

The highlight of the season came in our latest game beating Peterborough United Women 3-1 in the Northamptonshire FA's County Cup Final. A great performance from the team up against their local rivals in a competitive game. We look forward to presenting the trophy at the game on Sunday.
