NORTHAMPTON TOWN WOMEN

RECENT CLUB HISTORY

The 2022-23 season was Northampton Town Women's first campaign in the FA Women's National League.

The Cobblers had been promoted into Tier 4 as East Midlands Women's Regional Football League Premier champions, remaining undefeated and winning all but two of their 18 league fixtures the previous campaign. They had scored 78 and only conceded eight goals.

Key results included a 9-2 win at home to Rotherham United at Sixfields Stadium, a 1-0 victory away to Lincoln United and a 2-0 success away to Mansfield Town. There were also a number of big scorelines such as an 8-0 win away to Loughborough Students, a victory by the same margin away to Leicester City Ladies and an 11-1 success at home to Rise Park. Leah Cudone ended the season as Northampton's top goalscorer in the league, netting 22 times. Alex Dicks was close behind her teammate, bagging 20.

There was also success in cup competitions as the Cobblers went on their record Vitality Women's FA Cup run, knocking-out Rise Park, Tamworth, Bedworth United and Lye Town before succumbing to higher-level Lincoln City in the third round proper. They also reached the EMWRFL Cup semi-finals and won the Northamptonshire FA Women's Cup, defeating Peterborough United 2-1 in the final.

NORTHAMPTON TOWN WOMEN

RECENT CLUB HISTORY

Josh Oldfield and Liam Williams' side finished in a respectable fifth place in their inaugural campaign in the FAWNL Division One Midlands, earning 36 points in 22 games and ending on a goal difference of 19. Jade Bell and Dicks were Northampton's joint-top scorers in the league, each finding the back of the net on 14 occasions.

The Cobblers made a slow start to the season as they took time to find their feet at a new level. The campaign was kick-started by a 7-0 win at home to Long Eaton United, and they were able to climb the table thanks to results such as the important 2-1 victories at home to Peterborough and away to Solihull Moors and Sporting Khalsa. They ended the season on a high after an impressive 2-0 success away to Doncaster Rovers Belles at the Eco-Power Stadium.

TODAY'S OPPONENTS - SPORTING KHALSA

An introduction to this afternoon's visitors, Sporting Khalsa.

Sporting Khalsa Women and Girls was established in 2015 following a merger with FC Reedswood, founded in 2004.

Khalsa currently have a thriving girls section, two senior sides competing in the FA Women's National League and a seven-a-side Women's Midweek Floodlight League team. They also run a Weetabix Wildcats Centre for girls aged between 5 and 11 years old, with a SQUAD programme for 12 to 14 year olds that launched in January 2024.

Home fixtures are played at the Guardian Warehousing Arena on Sunday afternoons.

OUR INSPIRATIONAL PEOPLE

We asked the Northampton Town Women squad to tell us about the inspirational people in their lives.

VICKY BARRETT - Thank you for standing on the sidelines every week, being my biggest supporter for all these years. Thank you for showing me how to be the best mother to my children. Thank you for being the funniest, craziest grandma we know. Thank you for being the most inspirational woman I have ever met. I learned from the best! x

JADE BELL - My Mum has always been an inspiration to me. She has been around my whole life and I know she will always be there to support me in whatever decisions I make. She is the rock to our family and got promoted to Nanny a couple of years ago. The love my nephew has for her makes my heart so happy.

ZOE BOOTE - My mum, Sue, is truly amazing and always so supportive. She's even cancelled a Mother's Day lunch to come and watch the match! Happy Mother's Day mum, love you!

LAILA CHANNELL - My mother is the person who inspires me the most. I know a lot of people would agree that she's there for anyone, even when she needs comfort herself. She makes everyone laugh, and there's never a dull moment with this woman. She's hardworking, and she always supports her children in anything they want to achieve. She truly is the best mum. x

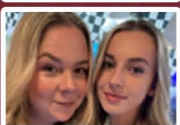

ALEX DICKS - My mum is a hard-working mum that has always supported me and my brother, putting us first, driving us to where we need to be and making our dreams possible. My nan is also an inspiration, because she is always so strong, she always supports me in everything I do, and she always gives me advice.

JESS EVANS - Harper works hard, she never gives up and she is constantly pushing herself to improve. I am forever in awe of her. Amber was one of my first real fans, and when things got tough on the pitch I would look over to her for support. Everyone needs an Amber in their life.

KIM FARROW - Mum, you will never know how much you mean to me. You inspire me to be strong and independent, but also kind and caring. I can't thank you enough for how supportive you have been, helping me be my true self and accepting me for who I am. You were my first friend and my forever friend, I love you. Happy Mother's Day, I hope you have the best day because you deserve it!

RUBY HESELDEN - My inspirational woman is my mum, who inspires me everyday because with everything life has thrown at her, she has been the strongest woman ever. She always gives her best to everyone around her.

BIANCA LUTTMAN - My inspirational woman is my mum, for working as an A&E nurse for a number of years. She is the most kind and caring person to everyone around her, and she always has a smile on her face. You are the reason I am who I am today. Happy International Women's Day!

PARIS MALLON - She is inspirational because she makes me laugh all the time. She always makes a negative situation into a positive one, and is overall a very supportive mum.

HOLLY MAYFIELD - My mum is my inspiration because she has always supported me in everything that I do. Ever since I decided to play football, she has given up her evenings and weekends to make sure I can get to training and matches.

KATIE MCLEAN - My mum is my biggest inspiration because she has always put others before herself. She has worked as a carer for over 25 years, and cared for me whilst doing so. She has never complained and has done everything with a loving smile. She's an incredible person with the biggest heart, and I'm so proud to call her my mum!

FAY NOBLE - My mum is my inspiration for driving me up-and-down the country to do what I love.

MIA RICHARDS - My mum is inspirational to me because of her incredible strength and attitude whilst battling cancer. She was still there for her family, and taught me that I can overcome any battles if I put my mind to it, just like she did.

PAIGE RIDLEY - Sandra Williams sets an inspirational example to me, teaching me how to live life and make wise choices, even in the most uncertain situations.

TJ WARREN - My Nanas are both inspirational to me. They help me with life's little challenges, giving me the best advice. Their pep talks instil belief and motivate me to do whatever you I put my mind to. They share their love unconditionally, and I cherish the time we spend together. They are my best friends, my biggest supporters and my number one fans. Love you, Nana B. and Nana W. xx
